SECTION 1

May 2022

Welcome to Aberdeen Proving Ground (APG) Child & Youth Services (CYS). We are happy that you have chosen our program to assist you with your childcare and recreation needs.

This handbook is designed to provide an overview of our programs and policies. Child & Youth Services is regulated by Department of Defense (DoD). All programs follow Department of Defense Instruction (DoDI) 6060.02, 6060.04, IMCOM Regulation 608-10-1, AR 215-1, AR 215-3, CYS Operations Manual, Annual DoD Fee Policy and any other policies adjusted or developed.

When concerns arise please talk with your program director to resolve the situation. The program managers value your concerns as they want to ensure you are comfortable when dropping off and picking up your child. Our goal is to build positive relationships with you and your child while promoting his or her intellectual growth, physical ability, and social skills.

Children learn best when they are allowed to explore, discover and **PLAY**. Our staff will focus on “**Learn through Play**” activities developmentally appropriate to your child’s age. Children actively involved in play engage independently, with a partner, or in a group. Play is closely tied to the cognitive, socio-emotional, and motor development of young children, and is an important part of our early childhood program. APG CYS incorporates Center on the Social and Emotional Foundations for Early Learning (CSEFEL) Pyramid Model. Staff focus on building positive relationships and use social/emotional teaching strategies when working with children and youth.

Our CYS center-based programs and our school-age/youth programs are nationally accredited through The National Association for the Education of Young Children (NAEYC) and The Council on Accreditation (COA), respectively. Many of our staff members have achieved post-secondary education and/or are working on receiving their Child Development Associate (CDA) Credential. The APG CYS programs understand the importance of keeping children safe and out of harm’s way. The staff are trained in various areas of early childhood development; however, that does not guarantee accidents/injuries will not occur. The programs go to great lengths to address injuries and work to put practices in place to reduce accidents/incidents. Parents will be notified when an injury occurs. In cases where the injury could be life threatening, the program will call 9-1-1 for assistance.

We thank you for partnering with the APG Child and Youth Services in the growth and development of your child or youth. We look forward to your visits and encourage you to become involved in the planned learning activities within the programs.

Sincerely,

David A. VanderHeyden

DAVID A. VANDERHEYDEN
Child and Youth Services Coordinator

MISSION, VISION, PHILOSOPHY & GOALS

The **Mission** of CYS is to promote readiness by reducing conflict between parental responsibilities and unit missions.

The **Vision** of CYS is to be the driving force for excellence in childcare, youth programs, school support for the Army, Department of Defense, and the Nation.

The **Philosophy** of CYS is to promote intellectual growth, physical ability, social, and emotional independence through a "Learn through Play" concept.

The **Goals** of CYS are to Achieve and sustain QUALITY by pursuing nationally recognized benchmarks and performance standards. Increase and sustain AVAILABILITY through on- and off-post childcare options. Maintain AFFORDABILITY for both Soldiers and the Army. Ensure ACCOUNTABILITY is achieved by requiring measurable outputs and outcomes. Increase RETENTION by positively influencing a Family's decision to remain in the Army. Influence READINESS by allowing the Soldier to better concentrate on his/her job and Enhance RESILIENCY by providing positive growth and development support for children of Soldiers.

CHILD & YOUTH PROFESSIONAL (CYP)

Our caregivers obtain specialized training in child/youth development. The training begins before they provide care and continues throughout their employment. Mandatory training includes CPR, Safety, First Aid, administering medication, age-appropriate activities, child growth and development, developmentally appropriate practices, positive guidance, healthy nutrition, and child abuse prevention. Many staff members have received or are working on receiving their Child Development Associate (CDA) Credentials or their Army Youth Practicum. In addition to training, staff receive extensive background clearances and reverification checks every five (5) years.

OPEN DOOR POLICY

The programs of CYS maintain an "Open Door" policy. Parents are welcome and strongly encouraged to visit on a daily basis. Our staff is always willing to answer and share your child's experiences in our programs.

SECTION 2

CYS PROGRAMS

Website

For more information regarding APG CYS, please visit our website at:
http://www.apgmwr.com/family/youth_services.html.

Child Development Centers

The Aberdeen Area (AA), Edgewood Area (EA), and Bayside (BA) Child Development Centers (CDC) offer a variety of care options for children 6 weeks to 5 years of age. Our centers are accredited by the National Association for the Education of Young Children (NAEYC) and certified by the Department of Defense (DoD). Our staff are trained in early childhood education and committed to providing you and your family a wonderful experience while here at APG. In addition to the goals of CYS, each facility works to create a safe, nurturing environment offering quality child care.

The AA CDC is located in Building 2485 Carbine Road (APG North) and the phone numbers are 410-278-5748/3487.

The BA CDC is located in Building 2521 Bayside Drive (APG North) and the phone number is 410-278-4683.

The EA CDC is located in Building E1901 Scully Road (APG South) and the phone numbers are 410-436-2077/2692.

**The hours of operation for all three centers are 0630-1730 hours, Monday through Friday and are closed on Federal Holidays, Garrison Commander-approved closings and CYS Training Days (two times per year – usually October and April).

School Age Care

The School Age Care (SAC) program (located within the Aberdeen Area and Edgewood Area Youth Services, respectively) provides before and after-school care for children in kindergarten through fifth grade with enriched, age-appropriate, child-centered activities. The program offers enrichment activities using the 4-H and Boys and Girls Club of America (BGCA) Curriculum. The SAC program is accredited by the Counsel on Accreditation (COA) and certified by the Department of Defense (DoD).

The AA YS SAC program is located in Building 2522 Bayside Drive (APG North) and the AA YS phone numbers are 410-278-9061/4995.

The EA YS SAC program is located in Building E1902 Scully Road (APG South) and the phone numbers are 410-436-2862/2098.

**The operating hours during the school year for SAC are Monday through Friday, 0630-0845 and 1530-1730. During school out days, spring vacation, vacation breaks and the summer program, the hours are Monday through Friday, 0630-1730.

Middle School/Teens

The Middle School and Teen (MS/T) program provides before and after school, evening and weekend options for children in sixth through 12th grades. Activities are planned and facilitated to encourage skill level learning. A summer program provides a variety of activities and limited field trips. Middle School/Teens are able to enjoy the Open Recreation Program at the Aberdeen Area Youth Center.

The Aberdeen Area Youth Service (AA YS) is located in Building 2522 Bayside Drive (APG North) and the phone numbers are 410-278-9061/4995.

The Edgewood Area Youth Service (EA YS) is located in Building E1902 Scully Road (APG South) and the phone numbers are 410-436-2862/2098.

The operating hours are: 0630-0745 during school season; 1410-1730 hours after school; and 0630-1730 hours during non-school days.

Open Recreation Hours for MS/T are at the AA YS only. Please call your particular facility for additional programming events.

Youth Sports and Fitness

The Youth Sports and Fitness program provides support for children 2-1/2 to 18 years of age to encourage healthy life-long habits. Team sports are available with the participation of volunteer coaches and assistants. All coaches are trained and certified by the National Alliance of Youth Sports (NAYS). The youth sports equipment and materials carry the National Operating Committee on Standards for Athletic Equipment (NOCSAE) safety. For more information on our youth sports programs call 410-306-2297. The sports office is located in Building 2503 Advanced Tactics Road (APG North).

School Liaison Officer (SLO)/School Support Services

The School Liaison Officer (SLO) is a key component of CYC. The SLO is located in Building 2503 Advanced Tactics Road (APG North) and serves as a liaison between the military community and the local public school system. Tutoring information is also available. Call 410-278-2857 for more information.

SECTION 3

PARENT CENTRAL REGISTRATION SERVICES

Parent Central Services provides a one-stop registration office for all CYC programs. Parent Central offices are located in Building 2503 Advanced Tactics Road. Office Hours are: Monday-Friday, 0730-1630 by appointment only. To make an appointment you can call (410) 278-7571/7479/1233. The PCS office is closed on all Federal Holidays, Garrison Commander-approved closings and CYC Mandatory Training Days (two times per year – usually October and April).

SPECIAL NEEDS SERVICES

All efforts will be made to place children with special needs into our CYC programs. To ensure proper program placement and to meet the needs of your child, a Multi-Inclusion Assessment Team (MIAT) will meet with the parent and review the child's relevant medical history prior to the child's placement. The MIAT team members include Army Community Services, Child & Youth Services, and Army Public Health Nurses. The goal of this team is to learn about the specifics of your child's needs and ensure his/her placement will be met.

A MIAT meeting is necessary whenever a diagnosis changes or when the child moves from one program to another. Should a CYS program not be appropriate or able to meet your child's needs, then staff will work with the parent/guardian to assist with alternative care.

PARENT INVOLVEMENT

Under IMCOM Regulation 608-10-1, CYS programs are offered as a supplement to your childcare needs, not as an entitlement or substitute. We are committed to offering you a high-quality developmental program for your child. Together, we can provide the nurturing, positive environment that your child needs and deserves. At CYS, parents can be a part of the Parent Advisory Board (PAB). The PAB allows parents to participate in quarterly meetings to discuss common issues. Individual issues need to be addressed with the program director. Special training may be conducted at some PAB meetings. For more information, contact the Outreach Services Director at 410-278-2572.

Parents are one of our program's most valuable resources. Parent Education Workshops are scheduled throughout the year. We encourage you to participate and to offer suggestions for topics that are of particular interest to you.

Parent Surveys are conducted on a yearly basis. Please be sure to complete your survey, as this is your opportunity to be involved in program policy and guidance.

Parents are invited to visit at any time for sharing talents or hobbies and can be arranged by contacting your child's Room Lead or Facility Director. Please take every opportunity to share in these experiences. Conferences regarding your child, are offered twice per year. A Training Specialist is also available to discuss your concerns and your child's needs when you have concerns.

The CYS Chain of Command is as follows:

- Your child's assigned Child and Youth Professional (CYP)
- Your child's Lead CYP or Program Advisory Lead
- Assistant Director or Training Specialist
- Director/Facility/Program Manager
- CYS Coordinator
- Director of Family and Morale, Welfare and Recreation (DFMWR)
- Deputy Garrison Commander
- Garrison Commander

PARENT PARTICIPATION PROGRAM

Here at APG, CYS provides a Parent Participation Program as a means of increasing parent awareness through parent involvement. Our goal is to enhance the quality of programs and strengthen the bond between the home and CYS. This program enables parents to earn credits by participating in various activities. Parents may earn a fee reduction for volunteering a minimum of 10 credit hours in any CYS full-day care program. Participation may occur in your own child's program or any other CYS program. Participation credits may accumulate from month-to-month until 10 hours are earned in order to receive a 10% reduction on one month's fees for one child (to

be redeemed at the first of the month). Parent Participation Points cannot be distributed or transferred to other parents/Families or programs.

ANNUAL RE-REGISTRATION

All children must be re-registered annually. The program will provide new forms to you. Any changes to your child's health will need to be updated by the doctor and provided to Parent Central at the time of re-registration. Fees will be determined at the time of registration.

Sports program registrations will be announced before each session. Please refer to the following APG CYS website for specific information: http://www.apgmwr.com/family/youth_services.html.

WITHDRAWAL

Written notice must be submitted 14 days or two weeks prior to withdrawal from any program. Payment is due through the date of withdrawal even if the child is not in attendance. Failure to submit the withdrawal form will result in fee charges for the period. The withdrawal form may be obtained from the Clerk at the front desk. Vacation credits may not be used in lieu of a two-week notice.

PAYMENTS

Child care payment fees are based on Total Household Income (THI) which is defined as all earned income including wages, salaries, tips, long term disability benefits, voluntary salary deferrals, quarters allowances, subsistence allowances and in-kind quarters, subsistence received by military members, and/or other pension or retirement, and anything else of value, even if not taxable, that was received for providing services.

Quarters allowances and subsistence allowances mean the basic allowance for quarters and the basic allowance for subsistence received by military personnel (with respect to grade and status) and the value of meals and lodging furnished in-kind to military personnel residing on military installations.

Full-Day Program

(1) For children enrolled in the full-day program, fees may be paid during the Center's hours of operation.

- ✓ Payments will not be accepted after 1700.
- ✓ Fees are payable in advance of services rendered.
- ✓ Child/youth may not return to the activity until all late fees are paid in full.
- ✓ Fees may be paid once a month or twice a month as follows:

(2) Monthly Payment: is due within the first five business days of the Billing Cycle and becomes delinquent after the fifth workday. A twenty-dollar (\$20) late payment fee will be assessed per enrolled child per payment cycle monthly. Denial of care will be initiated if fees are not paid.

(3) Bi-monthly payment: payment is required within the first five days of the Billing Cycle and the other half payment made during the mid-month 5 day grace period. A ten-dollar (\$10) late

payment fee will be assessed per enrolled child per payment cycle. Denial of care will be initiated if fees are not paid.

(4) Auto Debit: automatic Credit Card withdrawal of the monthly/bi-monthly child care fee. Complete ***INSTALLMENT BILLING PROCESS*** form and choose the schedule of payment.

(5) Full payment for full-day/part-day care is due within five (5) business days of the billing date.

(6) Parents/Households can pay their child care fees and register for Sports classes as long as they are registered with CYS by accessing WebTrac at:
<https://webtrac.mwr.army.mil/webtrac/apgcyms.html>.

(7) Fees may be paid by cash, money order, credit card (VISA/MasterCard/American Express/Discover), debit card or check payable to the ***Installation Morale, Welfare and Recreation Fund (IMWRF)***. The IMWRF will assess any returned check with a service charge. Payments made on-line must be coordinated with a valid email address. Parents are encouraged to retain all payment receipts for tax purposes.

(8) Fees are non-refundable.

(9) Parents leaving the Center with an outstanding debt will not be referred to another CYS program until the debt is cleared. If the debt is not paid within 30 days, the program will initiate the process to garnish wages to resolve the delinquent account.

(10) Parents who may experience financial hardship may contact Army Community Service for financial assistance and counseling at 410-278-2508.

(11) Fees for day-to-day hourly care reservations are due on the day of service. Patrons failing to pay for hourly care services on the day of use may not utilize nor make future hourly care reservations until payment is made in full.

(12) Please refer to CYS SOP #094, Collection of Child Care Fees, for more information on Termination of Services, Collection on Delinquent Accounts and Requests for Exception. All CYS programs will follow DoD Fee Policy guidelines for collection of non-payment.

Vacation Policy

Child Development Center Families may select a two- or four-week Leave/Vacation Fee Plan (which reserves their child's space) for each child enrolled in regularly scheduled child care programs. Selection will occur during the Family's initial or re-registration for the upcoming 12 months. Families who choose the four-week Leave/Vacation Fee Plan will pay a higher monthly fee than Families who choose the two-week plan since their fees are annualized to include Leave/Vacation. Once a Leave/Vacation Fee Plan is selected, it remains in effect for their entire registration year (12 months).

Children enrolled in the SAC Program will not receive vacation credits.

The two- or four-week Leave/Vacation Fee Plan must be taken in a minimum of one week increments (i.e., five-day time blocks – Monday-Friday). In CDC/SAC Programs, fees are not charged during the time the child is absent, and the child care space is reserved for the Family until the child returns.

Leave/Vacation Fee Plans begin at the time of child registration and concludes at the time of re-registration for the following year (12 months).

Families will be informed of the Leave/Vacation Fee Plan Policy at two points in the enrollment process: (1) when the child is registered with Parent Central Services, and (2) during the CDC/SAC Program orientation for the parent and child.

Hourly Reserve Care

Hourly Reserve Care is provided as an option for patrons who need intermittent care. Intermittent is defined as occurring at irregular intervals; not continuous or steady. Patrons who are using Hourly Care on a steadier basis will be referred to Parent Central Services to learn about how to request care through MilitaryChildcare.com for full day options.

Due to the limited hourly spaces, patrons will be authorized up to 8 hours of Hourly Care per week at APG. Hourly Care will be offered at the CDC in two 4-hour blocks. The first block is offered 0800-1200. The second block is offered 1200-1600. Hourly Care at the School-Age building will be offered before and after school and on school-out days.

Patrons may call a program up to One (1) week prior to care being requested. There may be no availability if patrons wait to request care 24 hours prior to or the day care is needed. The program cannot guarantee Hourly Care spaces are available when you call to set up a request for care.

Fees for Hourly Care are based on a flat rate and are due on the day of service. Hourly Care rates will follow DoD guidelines for: Child Development Center patrons, \$5.00 per hour; School-Age Care patrons, \$5.00 per hour. See Army CYS Garrison Fee Chart for additional hourly fees and information.

RECEIVING/RELEASING CHILDREN

Parents are responsible for escorting their child into their facility. Parents must also swipe their child's identification card into the computer.

Only parents or authorized designees are allowed to pick up children from their CYS program. Authorized designees are listed on the CYS Registration Form. If a parent plans on a designee picking up their child from any CYS program, the parent must provide written notice to this effect to the front desk personnel or facility director. Authorized designees will be required to show photo I.D. upon arrival. Children are not to be released to anyone less than 13 years of age.

Emergency designees must be located in the local commuting area and must be able to pick children up with 60 minutes of contact, if not sooner.

Child and Youth Services personnel will contact the APG Police regarding release of children to parents or authorized release designees who appear to be under the influence of alcohol or drugs.

Late Pick-Up Procedures

In the event your child remains in the Center past 1730, the following procedures will be followed:

1. Parents will be called at 1730.
2. All emergency designees will be called (if parents cannot be located).
3. In the event that contact cannot be made with the parents or emergency contacts by 1745 or designated time of closure, the CYS Coordinator and the Garrison Police will be notified.

4. The Garrison Police will follow their procedures of notification. The child will stay at the facility with two staff members until the parents are reached or alternate care is arranged.

Late Pick-Up Fees

Child Development Centers/School-Age Care/Outreach Programs: Will assess late fees and communicate to parents at the time of pick-up a late fee will be charged to their account.

Late Pick-up Fees are not charged for approved Mission Related Circumstances or specific arrangements are made to extend child care prior to pick-up.

SECTION 4

IMMUNIZATIONS/ILLNESS

In accordance with IMCOM Regulation 608-10-1, section 10-3, children must have documented age-appropriate immunizations. Immunizations and immunization records must be current. Verification of immunizations must be presented at the time of registration (i.e., shot record). Care will be denied if immunizations are not current.

Children who appear to be ill or show visible signs of fever will be closely screened and may be denied admission. No child will be admitted with a suspected contagious disease or with a temperature of 100.5°F or greater axillary (under arm) for children under three months of age and 101.1°F or greater axillary for children over three months of age. You must inform the Director/ Assistant Director/Program Manager or Room Lead if your child has a contagious or communicable disease.

If your child becomes ill, vomits, has diarrhea, or is injured and needs medical care, you will be contacted to pick him/her up immediately. If your child is not picked up by you or your emergency designee within an hour of notification, your Unit Commander/Supervisor will be contacted to handle the situation. If your child is sent home with a rash or any other suspected communicable disease, you will be required to have a doctor's statement identifying the illness prior to returning to the program. If your child is sent home with a fever, diarrhea or vomiting, he/she will not be admitted to the program for 24 hours after all symptoms have subsided. Children must be well enough to participate in usual program activities and to go outdoors. In the event of a true life-threatening emergency, 9-1-1 will be called and your child and caregiver/staff member will be transported to the nearest medical treatment facility. You will be contacted immediately.

All CYS programs follow universal health precautions and DA guidelines to minimize the risk of infection.

All staff are trained in CPR and basic First Aid. In the event of a minor accident, basic First Aid steps will be followed and an accident/incident report will be written to notify the parents. In the event of a more serious accident/incident, 9-1-1 and the parent will be called. The child with a staff member will be transported by ambulance to the nearest emergency treatment facility.

MEDICATION

Written permission from the parent is required on DA Form 5225-R to have medication administered to their child.

The physician or parent must administer the first dosage of any medication. Children must be on an oral medication at least 24 hours before program personnel can administer a dosage.

When a child is on medication, parents are responsible to discuss the instructions with the staff. Even when the program is not administering the medication, there could be warning instructions on the medication to keep the child out of direct sunlight. Clear and open communication between the parent, management and caregiving staff will ensure the best possible care for your child/ren when they are in our care.

Medication must be:

- ✓ labeled with a pharmacy label.
- ✓ in the original container with a childproof cap and proper measuring cup/syringe.
- ✓ dated with the physician's name and instructions for use.
- ✓ labeled with the child's name, name of medication, and dosage strength.
- ✓ labeled with instructions that include amount of dosage, starting date/ending date.

Medication will not be administered in the hourly program (except for emergency situations requiring rescue medications – i.e., inhalers or Epi-pens).

The Middle School participants will be allowed to administer their own asthma inhalers as prescribed by a physician. Staff will be responsible for documenting medication use on DA Form 5225-R. Medication will be stored at the Youth Center in the appropriate container.

Teens attending the open recreation program on Friday evenings will notify staff of medications in their possession and will be responsible for keeping and administering their own medication, inhalers etc. Youth Center staff will activate 9-1-1 in the event of any emergency.

TOUCH POLICY

Aberdeen Proving Ground's CYS is fully committed to providing a warm and caring environment for each child enrolled in the program. Accordingly, the following Touch Policy is established to ensure that each child will feel safe, secure and esteemed.

APPROPRIATE TOUCH includes hugs, "high fives", handshakes or reassuring touches on the shoulder/back. Naptime back rubs and lap sitting (infants – Kindergarten/age 5) are allowed in the CDCs. Appropriate touching of young children includes:

- ✓ Normal cleaning of infants and toddlers during diapering (to include wiping of genitals and surrounding areas to remove all soiling).
- ✓ Washing/assisting child in the washing of soiled extremities (face, hands, arms, legs, and feet).

- ✓ Washing/assisting child in the cleaning process and changing of clothing if child has become ill.
- ✓ Assisting/changing child's clothing when wet or soiled at parent's request.
- ✓ Sitting on caregiver's lap, holding hands with a caregiver and hugging caregivers when these actions are initiated by the child, or when the child responds to the invitation of comfort by a caregiving employee.
- ✓ Physically guiding a child away from a dangerous situation or one in which the child's behavior endangers other children.
- ✓ Gentle restraint of a child during a temper tantrum when the physical environment is dangerous to a child left on his/her own.

INAPPROPRIATE TOUCH includes forced good-bye kisses, corporal punishment, slapping, striking, pinching, tickling for prolonged periods, fondling, or molestation. Inappropriate touching of young children includes:

- ✓ Children will not be forced to demonstrate affection to caregivers (such as forced good-bye kisses or hugs).
- ✓ Adults will not prolong touching a child during play after child requests that the activity stops.
- ✓ Children who bite/hit will not be responded to by being bitten/hit by an adult in order to teach them that such actions hurt; also, child will not be hit in the mouth or have their mouth "washed out" for any spitting, noise making, or using inappropriate language.
- ✓ Corporal or physical punishment will not be used. A caregiver who is angry with a child will not touch a child to preclude the loss of control by the adult.
- ✓ Patrons will be asked not to use physical punishment on their own children in the facility.
- ✓ Caregiving staff will not use physical discipline on their own children in the facility.
- ✓ Physical restraint will not be used to make children "behave" (i.e. tying/holding children into chairs or holding children down on mats or any other activity meant to force participation).

The intent of this policy is to define appropriate touching practices within the context of adult/child physical interactions in CYS. The intent is not to make Program Staff afraid of physical contact with children, but rather to delineate boundaries, and to stress that appropriate nurturing interaction is healthy and necessary for the development of happy children.

CHILD GUIDANCE

The personnel of CYS receive training in child guidance. Simple, understandable and realistic rules are established based on an understanding of individual needs and behaviors of children at varying levels of development.

Constructive methods of discipline may include diversion, separation of the child from situations, praise of appropriate behavior, or gentle, physical restraint such as holding.

A child may not be punished by: spanking, pinching, or other corporal punishment; isolation away from adult sight or contact; confinement in closets, boxes, or similar places; binding to restrain movement of mouth or limb; humiliation or verbal abuse; deprivation of meals, snacks, outdoor play opportunities, or other program components.

Short-term restriction on the use of specific materials and equipment or participation in a specific activity is permissible. A child may not be punished for lapses in toilet training or refusing food. Use of "time out" methods will not exceed one minute per age of the child (up to five minutes total) and will be used only for children over the age of two. The Director will inform the CYS Coordinator of any child who consistently displays unacceptable behavior. The Program Director and the Training Specialist will meet with parents and the Room Lead to discuss methods to change inappropriate behavior.

Using the Operational Guidance for Behavioral Support from IMCOM G9 CYS, a behavior plan will be developed for a child with consistently inappropriate behavior. If the inappropriate behavior continues, other child care arrangements may need to be looked for if the child or youth cannot be safely supported by CYS. A middle school- or high school-age child may be suspended or removed from the program depending on the seriousness of the inappropriate behavior.

CHILD ABUSE

Definitions

1. **Abuse** – direct, physical injury, trauma, or emotional harm intentionally inflicted on a child.
2. **Out-of-Home Abuse** – child abuse or neglect that occurs in an Army organized setting/facility or within an Army-sponsored sanctioned activity; does not apply to child abuse occurring within the family unit. Types of out-of-home abuse include:
 - (a) **Physical Abuse**: The intentional nonaccidental, physical injury to a child inflicted by a parent, guardian, or other person responsible for the child's welfare.
 - (b) **Sexual Abuse**: The involvement of a child in any sexual act or situation the purpose of which may be to provide sexual gratification or financial benefit to the perpetrator; all sexual activity between a child and a care provider is considered sexual abuse.
 - (c) **Emotional Maltreatment**: An act or commission (such as intentional berating, disparaging, or other abusive behavior) or omission (such as passive or aggressive inattention to a child's emotional needs) on the part of a caretaker. Maltreatment causes low self-esteem in the child, undue fear or anxiety, or other damage to the child's emotional well-being.
 - (d) **Neglect**: Neglect (or deprivation of necessities includes failure, when able to do so, to provide the following: nourishment, clothing, shelter, health care, education, supervision). "Failure to thrive" syndrome may be a result of neglect.
3. **Familial Child Abuse** – Child abuse or neglect as defined above (1. 2.(d)) that occurs within the family unit.

Identification of Child Abuse

All CYS personnel will be knowledgeable in the definition, recognition, physical, and behavioral indications of possible child abuse. Following is a brief list of indicators of child abuse/neglect: unexplained injury, bruises, welts, cigarette burns. Malnutrition for no obvious reason. Evidence of poor care. Unusual fears. Evidence of repeated injury. Exhibiting behavioral extremes. Always tired and sleeps often. In obvious need of medical attention of eyes, teeth, shots, etc. Depression. Unexplained bald spots. Cries for little reason. Abuse of toys and friends. Low self-esteem.

Reporting Child Abuse

All CYS employees are mandated reporters and responsible for reporting any suspicious injury, evidence of neglect/abuse or infractions of the APG CYS Touch and Discipline Policies to the Military Police, 410-306-2222 (Aberdeen) or 410-436-2222 (Edgewood). The Family Advocacy Program Hotline number (APG) is 410-652-6048. The local Child Protective Services Office number is 410-836-4713. The Department of Defense Child Abuse/Safety Violation Hotline telephone number is 1-877-790-1197. Child Abuse posters can be found in every facility of Child and Youth Services.

All CYS staff/providers/parents are required by law to report all suspected child abuse to the Military Police within 24 hours of suspected abuse. Reports are handled confidentially.

Aberdeen Proving Ground's CYS has many policies in place to minimize the potential for child abuse. They are as follows:

- (a) rooms may not be totally darkened.
- (b) child/adult ratios will be maintained at all times in activity rooms.
- (c) no unauthorized visitors are allowed; authorized visitors wear badges.
- (d) daily sign-in/sign-out procedures for drop-off and pick-up of children are used.
- (e) attendance records maintained by the staff.
- (f) only authorized persons may pick up children.
- (g) Touch and Discipline Policies are in effect.
- (h) staff wear nametags.
- (i) Training Specialists and Center Administrative Staff spends time in classrooms for observation and program oversight.
- (j) a monitoring system is present.
- (k) an "Open Door" policy is in effect for parent visitation.

SECTION 5

OUTDOOR PLAY

CYS will provide outdoor play on a daily basis -- weather permitting. Management and staff will reference the Healthy Child Care IOWA WeatherWatch chart. This chart provides guidance on when it is safe for children to be outdoors. Managers or Training Staff will physically check the air temperature, surface playground and equipment by touching with the hand in addition to using the Milwaukee Infrared Temp-Gun before opening any playground for use. Programs listen for public service announcements that advise people to stay indoors due to weather conditions that could be hazardous. When the temperatures indicate the weather is not permissible for children to be outdoors, the staff will continue to provide child appropriate activities within and around the facility. Activities could include walks around the facility within shaded areas, story time in the hallway, or active play within the gross motor area of the facility.

TRANSPORTATION/FIELD TRIPS

Children attending classes at Harford County Schools will be transported to and from school in Harford County buses. If the post is closed and schools are in session, parents are responsible for transportation to and from school.

Field trips will be taken to enhance program activities. Parents will sign a participation and permission slip for each field trip both on and off-site.

Licensed staff provides mini bus service for local field trips with vehicles provided by CYS. Chartered buses will be used when field trips are more than 1-1/2 hours away (driving time) from APG. Rude behavior or activities jeopardizing the safe operation of any type of bus (school, chartered or mini) will not be tolerated. The use of tobacco and alcohol products is prohibited. Any infractions will be written up by the vehicle operator and reported to the staff in charge, Facility/Program Director, the parent(s) and Chief, CYS.

When field trips are on the installation (i.e., bowling, swimming), School Age/Middle School/Teens (SAS/MS/T) may walk to and from the activity.

Parents are required to provide transportation and remain on site for all sports practices, games and camps.

CLOTHING

Children participate in active play and experiment with many kinds of materials, the clothing they wear is important. Aprons are provided for painting and water play. Sneakers or soft-soled shoes are recommended; sandals, open-toed shoes, jellies and Crocs are unacceptable. For safety purposes, the toes and heel must be fully enclosed within the shoe.

The safest shoe for your child to wear while in our CYS program is: SNEAKERS

The children go outside daily (weather permitting). Clothing should be appropriate for the weather – mittens, gloves, hats, boots, long pants, or other leg coverings for cold weather; shorts, lightweight clothing in hot weather.

Young children need to have a complete change of clothing -- several sets -- (underwear, socks, shirt and pants) in the Center at all times. All articles of clothing must be marked with the child's name.

If your child is dressed inappropriately, you will be called to either bring the proper attire for your child to change, or asked they leave the program for the day.

Although beads and colorful hair clips in a child's hair can be very pretty, they have become a safety issue in many child care centers. When these items fall out, they present a choking hazard to small children. To ensure the safety of all young children, children under the age of four (4) will not be permitted to wear beads or small clips in their hair. Children will not be allowed to wear necklaces or other jewelry which could cause constriction around the neck or become a choking hazard if broken and/or falls apart.

FOOD AND NUTRITION

Aberdeen Proving Ground CYC participates in the United States Department of Agriculture (USDA) Child Adult Care Food Program (CACFP). Based on USDA nutritional guidelines, all CYC programs provide meals that include full-strength juices, meats, fresh fruits and vegetables. These foods provide the highest nutritional value for your child's health.

In addition to the highest nutritional standards, the USDA CACFP provides financial support to our child care programs in the form of a partial food cost reimbursement based on the completion of your parent application and number of meals served.

Meals and Snacks

There are no separate charges for meals and snacks served in the CYC programs. Breakfast, lunch (during full-day care) and afternoon snack are served daily (see Program Director for times). All children are enrolled in the USDA Child Care Food Program. Children are served nutritious meals and snacks. Menus are posted in each program location. All sponsors are required to complete the Confidential Application for Free or Reduced Price Meals at the time of registration and annually.

The SAC, MS/T and CDC programs will supply lunch on days when there is no school and during the summer program.

Please indicate on the Health Screening Tool at registration and the child's Health Assessment any food alternatives, allergies, or special dietary needs of your child. A physician must complete all appropriate forms and a special diet statement if indicated. The CYC program will make every effort to meet the special food needs of your child. If a food requirement cannot be supplied, the parents will be asked to supply the food alternative. The Center is not responsible for allergies not documented by a physician.

Due to safety of all children, no food is to be brought in to the programs without proper approval from the Program Directors and CYC Coordinator.

Formula Requirements

Program Staff are not authorized to mix formula brought from home. All bottles must be prepared in plastic bottles with lids and labeled with the child's name and date. Bottles must contain formula, milk, or 100% fruit juice. The parents must prepare a separate bottle for each feeding. Per USDA requirements, the CDC will provide one brand of formula for infants aged six weeks through 12 months. Parents are required to furnish a sufficient number of clean, ready-to-use bottles. The staff will pour ready-to-feed formula into the bottles for that day. Parents who choose for their infants not to receive the formula provided by the Center must have bottles furnished with formula from home and all guidelines adhered to.

Birthdays and Special Occasions

We recognize how special birthdays are to young children and their parents. We want to help you make this day special for your child. However, only food prepared at or for the center is served for meals, snacks and special events, such as birthday parties.

This guidance has been set to ensure the safety of the children by ensuring they do not receive items that may be a choking hazard or cause an allergic reaction. Other ways of participating in non-food celebrations include singing the birthday song, decorating your child's cubby, or making a birthday crown for your child to wear during the day. For children in the Pre-School and Pre-K Strong Beginnings classrooms, the children can choose which helper they would like to be for the day. No balloons or candles are permitted in a child development center.

FACILITY CLOSINGS

All programs are closed for business whenever APG is closed. This includes Federal Holiday closings, Commander-approved closings (the day before or after a Federal Holiday; CYS Training Days), announced closings due to inclement weather, and security closings.

Please listen to emergency radio broadcasts for additional information (WAMD-97 AM; WBAL-1090 AM; WIYY-97.9 FM; WBSB-104 FM), or call 410-278-SNOW (7669) for specific APG information. In the event the Centers close early, late fees will begin 15 minutes after the designated closing.

PARKING/UNATTENDED CHILDREN IN VEHICLES

Parking lots are provided at all APG CYS facilities. Patrons are not authorized to park in the emergency lane outside the front entrances of the buildings. If you do not have handicapped markings (stickers/hang-tag) on your vehicle and are parked in a designated handicapped parking spot, you will be subject to receiving a ticket issued by the APG Police. Illegally parked cars will be ticketed by Garrison Police.

Parents please protect our children: **TURN OFF YOUR ENGINE. DO NOT LEAVE CHILDREN UNATTENDED IN PARKED CARS. PLEASE DRIVE SLOWLY IN AND AROUND PARKING AREAS.** Child and Youth Services management will call the APG Police if young children are left in the vehicle unattended.
