while supplies last!

The Official 2024 White House Christmas Ornament honors President Jimmy Carter, the thirty-ninth President of the United States. The 2024 design is a thoughtful presentation of historic moments from his life and presidency, which we hope you enjoy learning more about. The ornament's anchor shape, an iconic symbol of hope, also represents Carter's service in the United States Navy. The North Portico of the White House is shown adorned with poinsettias that harken back to the vibrant and festive White House Christmases he shared with his family.
