Family and Finances

Upcoming FRP Classes

03/18: Wealth Building and Planning for Retirement: This seminar will provide information about Social Security and Medicare benefits to help bring your post-career plans into focus. We will discuss the basics and strategy of Retirement, Spouse's, Survivor's and Medicare benefits, how to qualify and provide tools to help guide your decisions.

03/19: Investing in the Digital Age: Learn how to make smart investment decisions and protect your money from scams in this briefing delivered by the U.S. Securities and Exchange Commission.

03/20: Fueling for Health: This seminar discusses current dietary guidelines from the USDA as well as accurate interpretations of food labels to educate on proper nutrition.
03/25: Marriage and Finances: Marriage is not only a meaningful commitment to your partner but also a financial commitment, and financial stress can play a big role in a marriage. This seminar will provide tips and tools to help you minimize stress and optimize your finances.

03/26: Divorce and Finances: The financial effects of divorce are stressful! The goal of this class is to help reduce uncertainty associated with the financial aspects of divorce. We'll share information to help you make smart, informed financial decisions so you can emerge from your divorce with greater financial confidence

03/27: Healthy Sleep Habits: This seminar covers the basics of proper sleep hygiene practices. We will discuss how to get a better sleep and the benefit of sleep tracking.

04/01: First Child: A new child means changes, especially to your finances. Whether you are having a baby, adopting or becoming a stepparent due to marriage, this course is designed to help you organize your finances efficiently and prepare you for the changes that come with your growing family.

04/02: ABLÉ Accounts: This seminar will assist people with disabilities and their families prepare for the future through the use of ABLÉ accounts. Join us to learn about eligibility, criteria, enrollment process, features of the Maryland ABLÉ account and the account management process.

04/03: Disabling Sickness and Conditions: It can be incredibly overwhelming if you or a family member are impacted by a chronic sickness or condition. This seminar will focus on the financial implications and help you create a plan to manage your finances effectively.
