Upcoming FRP Classes

01/15: Tax Updates: This Workshop discusses the U.S. Tax System and the goals of personal tax planning. We will discuss the current tax updates.

01/16: Retirement: This seminar will provide information about Social Security and Medicare benefits to help bring your post-career plans into focus. We will discuss the basics and strategy of Retirement, Spouse's, Survivor's and Medicare benefits, how to qualify and provide tools to help guide your decisions.

01/17: Promotion: In this seminar, we will review your finances to help set you up for a successful and prosperous future. We will cover four main topics: Financial Planning, Saving for Retirement, Career Investment Programs and Financial Resources.

01/22 Saving and Investing: This seminar will identify reasons to save and how to set goals for a savings plan. Participants will explore the difference between short term savings and long-term investments.

01/23: Dream Big Plan Now: This workshop will be an open discussion.

01/24: Psychology of Spending: Spending habits can be influenced by a variety of factors, both internal and external. When it comes to budgeting and spending, it's important to not only determine the what, but the why and how. Join us to learn more about the psychology of spending and how to use this awareness to ensure your spending habits align with your goals.

01/29: Financial Planning for the Future: This workshop focuses on sources of income, retirement planning steps, military pension systems and the Thrift Savings Plan (TSP).

01/30: Building Strong Credit: This seminar provides information on credit establishment, credit management, and debt relief. It introduces debt-to-income ratio concepts, the importance of monitoring credit reports and scores, and briefly addresses the SCRA and bankruptcy.

01/31: Paying off Debt: This seminar is designed to teach strategies for paying off debt and work towards achieving your financial freedom.
